(“**Tarachi Gold**” or the “**Company**”) will be held at Suite 1723, 595 Burrard Street, Vancouver, British Columbia on Friday, August 21, 2026, at 10:00 a.m. (PT).

At the Meeting, Shareholders will be asked to:

Accompanying this Notice of Meeting is a Management Information Circular (“**Information Circular**”), which provides additional information relating to the business to be conducted at the Meeting, a form of proxy (the “**Proxy**”) or voting instruction form (the “**VIF**”), and a form whereby Shareholders may request that the Company’s annual and/or interim financial statements and corresponding management’s discussion and analysis be mailed to them.

The board of directors of the Company has fixed a record date as of the close of business on July 7, 2026 for the purpose of determining the Shareholders of record that will be entitled to receive notice of and to vote at the Meeting or any adjournment or postponement thereof.

NOTICE AND ACCESS

The Company is using the notice-and-access provisions (“**Notice and Access**”) under the Canadian Securities Administrators’ National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer for the delivery of the Information Circular for the Meeting to its Shareholders. Under Notice and Access, instead of receiving paper copies of the Information Circular, Shareholders will be receiving a Notice and Access notification with information on how they may obtain a copy of the Information Circular electronically or request a paper copy. Registered Shareholders will still receive a proxy form enabling them to vote at the Meeting. The use of Notice and Access in connection with the Meeting helps reduce paper use, as well as the Company’s printing and mailing costs. The Company will arrange to mail paper copies of the Information Circular to those registered Shareholders who have existing instructions on their account to receive paper copies of the Company’s Meeting materials.

HOW TO ACCESS MEETING MATERIALS ONLINE

The Meeting materials can be viewed online under the Company’s profile at [Sedar+](https://www.sedarplus.com) and also at the Company’s website tarachigold.com/investors/agm-material/.

****Shareholders are reminded to review the Information Circular prior to voting****

HOW TO OBTAIN PAPER COPIES OF THE INFORMATION CIRCULAR

The Company is providing paper copies of its Information Circular only to registered and beneficial shareholders who have previously requested to receive paper materials.

Shareholders may request paper copies of the Information Circular and other meeting materials, including the audited financial statements of the Company for the year ended July 31, 2025, and the report of the auditors thereon and related Management's Discussion and Analysis, by first class mail, courier or the equivalent at no cost to the shareholder. NOTICE REGARDING INFORMATION

Information in this Information Circular is given as of July 7, 2026, unless otherwise indicated and except for information contained in the documents incorporated herein by reference, which is given as at the respective dates stated therein.

No person is authorized to give any information or make any representation not contained in this Information Circular and, if given or made, such information or representation should not be relied upon as having been authorized. This Information Circular does not constitute an offer to sell, or a solicitation of an offer to purchase, any securities, or the solicitation of a proxy, by any person in any jurisdiction in which such an offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such an offer or solicitation of an offer or proxy solicitation. Neither delivery of this Information Circular nor any distribution of the securities referred to in this Information Circular will, under any circumstances, create an implication that there has been no change in the information set forth herein since the date of this Information Circular.

GENERAL INFORMATION CONCERNING THE MEETING AND VOTING

Solicitation of Proxies

This Information Circular is provided in connection with the solicitation by the management of the Company of proxies to be used at the Meeting. The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation.

Appointment of Proxyholder

The individuals named in the accompanying form of proxy are officers and/or directors of the Company. **If you are a securityholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the form of proxy accompanying this Information Circular, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the form of proxy accompanying this Information Circular or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the form of proxy accompanying this Information Circular will vote or withhold Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. In the absence of any instructions to the contrary, the Common Shares represented by proxies received by management will be voted FOR the approval of the resolutions described herein, among other things.

The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein; and

- (c) any other matter that properly comes before the Meeting or any adjournments thereof.

At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matters do properly come before the Meeting, it is intended that the person appointed as proxy will vote on such other business in such manner as that person then considers to be proper.

Registered Shareholders

Registered Shareholders electing to submit a proxy may do so by phone or internet provided on the proxy or by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Odyssey Trust Company, by mail or hand delivery to Suite 1310 – 1140 West Pender St. Vancouver, BC V6E 4G1, in all cases ensuring that the form of proxy is received before 10:00 a.m. on August 19, 2026 or if the Meeting is adjourned or postponed, at least 48 business hours (where "business hours" means hours on days other than a Saturday, Sunday or any other holiday in British Columbia or Ontario) before the time on the date to which the Meeting is adjourned or postponed.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name.

Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered Shareholders) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases, those Common Shares will not be registered in the shareholder's name on the records of Tarachi Gold. Such Common Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Tarachi Gold is taking advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable VIF from the Company's transfer agent, Odyssey Trust Company. The VIF is to be completed and returned to Odyssey Trust Company as set out in the instructions provided on the VIF. Odyssey Trust Company will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of Tarachi Gold's securities. If you are a non-registered owner, and Tarachi Gold or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf. By choosing to send these materials to you directly, Tarachi Gold (and not the intermediary holding securities on your behalf) has assumed responsibility

for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Objecting Beneficial Owners

Beneficial Shareholders, who are OBOs, should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

Tarachi Gold does not intend to pay for intermediaries to deliver to OBOs the meeting materials and Form 54-101F7 Request for Voting Instructions Made by Intermediary. An OBO will not receive the materials unless the OBO's intermediary assumes the delivery cost.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by Tarachi Gold. The VIF will name the same persons as the Company's proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person maybe you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Tarachi Gold Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and are being affected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *U.S. Exchange Act* are not applicable to Tarachi Gold or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Tarachi Gold Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement, by Tarachi Gold Shareholders, of civil liabilities under United States federal securities laws may be affected adversely by the fact that Tarachi Gold exists under the *Business Corporations Act* (British Columbia), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered holder of Common Shares or the authorized attorney thereof in writing, or, if the registered holder of Common Shares is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Odyssey Trust Company Suite 1310 – 1140 West Pender St. Vancouver, BC V6E 4G1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

NOTICE AND ACCESS

National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* allow for the use of the notice and access system for the delivery to shareholders of certain materials, including notice of meeting, management information circular, annual financial statements and management’s discussion and analysis (collectively, the “**Meeting Materials**”) by reporting issuers.

Under the notice and access system, reporting issuers are permitted to deliver the Meeting Materials by posting them on SEDAR+ at www.sedarplus.ca as well as a website other than SEDAR+ and sending a notice package to shareholders that includes: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the Meeting Materials; and (iv) a plain language explanation of how the notice and access system operates and how the Meeting Materials can be accessed online.

As described in the Notice and Access Notification to be mailed to the Shareholders of the Company on or about July 10, 2026, the Company has elected to deliver its Meeting Materials to Beneficial Holders using the notice and access system. These Beneficial Shareholders will receive a notice and access notification which will contain the prescribed information. Registered Shareholders and those Beneficial Holders with existing instructions on their account to receive printed materials will receive a printed copy of the Meeting Materials with the notice package.

The Company intends to pay for proximate intermediaries to deliver Meeting Materials and Form 54-101F7 (the request for voting instructions) to “objecting beneficial owners”, in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Board has fixed July 7, 2026 as the record date (the “**Record Date**”) for the purpose of determining the Shareholders of record that will be entitled to receive a notice of and to vote at the Meeting or any adjournment or postponement thereof.

As at the Record Date, there were a total of 119,251,810 Common Shares issued and outstanding. Each Common Share entitles the holder thereof to one vote for each Common Share shown as registered in the holder’s name on the Record Date. Only registered Shareholders of record holding Common Shares at the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered a proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their Common Shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, controls or directs, directly or indirectly, 10% or more of the voting rights attached to any class of voting securities of the Company as of the Record Date.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting except with respect to the election of directors.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

Management of Tarachi Gold proposes to nominate the persons listed below for election as directors of Tarachi Gold to serve until their successors are elected or appointed. In the absence of instructions to the contrary, Proxies given pursuant to the solicitation by management of Tarachi Gold will be voted for the nominees listed in this Information Circular. A Shareholder can vote for all of the above nominees, vote for some of the below nominees and withhold for other of the below nominees, or withhold for all of the below nominees. **Unless otherwise instructed, the named proxyholders will vote FOR the election of each of the proposed nominees set forth below as directors of Tarachi Gold.**

The information as to securities beneficially owned, or controlled or directed, directly or indirectly, by each nominee has been furnished by the respective proposed nominee individually.

On January 5, 2024, the Board adopted a policy, which requires that any nominee for director who receives a greater number of votes "withheld" than votes "for" his or her election will be required to tender his or her resignation to the Chair of the Board, such resignation to be effective upon acceptance from the Board. The Board will consider the director's resignation and determine whether or not to accept it. The Board will act within 90 days following the applicable annual meeting and will promptly disclose by press release its decision whether to accept the director's resignation, including the reasons for rejecting the resignation, if applicable.

Stock Option Plans and Other Incentive Plans

The Company's current stock option plan (the "**Option Plan**") was originally adopted by the Board effective December 7, 2017 and last confirmed by shareholders on February 20, 2024, which Option Plan was drafted in accordance with the latest policies and rules of the CSE.

The purpose of the Option Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified employees, directors, officers, consultants and employees of a person or company which provides management services to the Company or its associated, affiliated, controlled and subsidiary companies (the "**Participants**") and to grant such Participants stock options to acquire up to 10% of the Company's issued and outstanding common shares of the Company ("**Common Shares**") from time to time. This is a "rolling" plan as the number of shares reserved for issuance pursuant to the grant of stock options will increase as the Company's issued and outstanding share capital increases. The Option Plan provides that the directors of the Company may grant options to purchase Common Shares on terms that the directors may determine, within the limitations of the Option Plan. The exercise price of an option issued under the Option Plan is determined by the directors but may not be less than the closing market price of the Common Shares on the day preceding the date of granting of the option less any available discount, in accordance with CSE Policies. No option may be granted for a term longer than ten years. An option may expire on such earlier date or dates as may be fixed by the Board, subject to earlier termination in the event the optionee ceases to be eligible under the Option Plan by reason of death, retirement or otherwise.

The Option Plan provides for the following restrictions: (i) no Participant may be granted an option if that option would result in the total number of stock options granted to the Participant in the previous 12 months, exceeding 5% of the issued and outstanding Common Shares unless the Company has obtained disinterested shareholder approval in accordance with CSE Policies; (ii) the aggregate number of options granted to Participants conducting Investor Relations Activities (as defined in CSE Policies) in any 12 month period must not exceed 1% of the issued and outstanding Common Shares, calculated at the time of grant; and (iii) the aggregate number of options granted to any one consultant in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant.

In addition, options granted to consultants conducting Investor Relations Activities (as defined in CSE Policies) will vest over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting or such longer vesting.

Employment, consulting and management agreements

The Company entered into an employment agreement (the “**Agreement**”) with Cameron Tymstra on October 1, 2025, for his services as CEO. Pursuant to the terms of the Agreement, the Company has agreed to pay Mr. Tymstra a base salary of \$45,000. The Agreement is for an indefinite term. Mr. Tymstra may resign by giving the Company 90 days’ notice in which he shall not be entitled to any severance payment but shall be entitled to receive all annual salary earned to and including the last written notice day together with any outstanding vacation pay and final expenses. In the event of termination after a change of control without cause within 12 months after the change of control, the Company shall provide Mr. Tymstra with a lump sum of up to six (6) months’ pay, equivalent to the number of months of the aggregate of his average annual salary.

Oversight and description of director and named executive officer compensation

The objective of the Company’s compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company’s fiscal resources and competitive with companies at a similar stage of development.

Directors do not receive any cash compensation in the form of director fees. Directors of the Company are eligible to participate in the Option Plan.

Option-Based Awards

The Option Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Board considers the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the CSE and closely align the interests of the executive officers with the interests of Shareholders.

The directors and officers of the Company from time to time may be granted incentive stock options in accordance with the policies of the CSE and pursuant to the Option Plan.
